

Center #1 filled with Filipino Muslims-Bajau teenagers on the coast of E. Malaysia. Ctr.#2 will be built on rental land. Short-term mission team of pastors

Dear pastors, brothers and sisters, peace in the Lord!

Although the world is transient and the disasters either natural or man-made are happening everywhere. God is with us, and he will never leave us, nor forsake us...

Deuteronomy 31:6 Be strong and of good courage, do not be afraid... Let us help each other strive toward the goal! The Lord's grace abounds! In the past two decades, Action Mission's more than 150 missionary families, have been in: **Iraq, Kuwait, Pakistan, Nepal, Iran, Uzbekistan, Ukraine, Myanmar, Malaysia.** Plus, six East African countries: **Ethiopia, Djibouti, Somalia, Uganda, South Sudan, and (North) Sudan.** By God's leading and brothers and sisters' unceasing prayer and offerings, supporting the A. M. missionaries, enabling them to move forward! During the pandemic, God has done even greater things! **13 new missionaries joined the field** (7 went to Ugandan refugee camps, 5 to Nepal, and 1 to Uzbekistan). And another 3 are currently under training. They will serve in three separate towns in Iraq this September. For all of this, on behalf of all the co-workers, we sincerely offer up our gratitude to you through this letter of appreciation.

(Photos above) We helped many Filipino Muslims-Bajau tribe teenagers on the coast of East Malaysia. Praise the Lord for letting our workers earned their trust! Even when we tried to share with their leaders that we are Christians, they showed no hostility and instead rushed to sign up our programs! The Holy Spirit has started to work! (The average life expectancy of the Bajau people is only about 30 years old due to the extremely harsh living environment.)

(Bottom left 1st photo) Uzbekistan's long-prepared 'Foot Health House', with God's abundant grace, has officially opened on June 1st. 2023. May the Lord make this place a beacon of the Gospel in the local area! Besides, we ask the Lord to send suitable local employees to not only learn a skill, but also receive the salvation!

(2 photos in the middle) (North) Sudan experienced dramatic turning for worse in the civil war! All seven pacts have failed! The people were devastated! A few remaining churches were harshly persecuted! Soldiers massacred old and young in the capital churches that created a new wave of refugees! We are calling on Christians worldwide to pray for them!

(Bottom right) The need for evangelism in the refugee camps in Uganda is ever-increasing. Hallelujah! The A.M. has already rented a piece of land outside the camps to build a small seminary. Please pray for the needs of the building and the preparation of the seminary teachers. We firmly believe that the Lord will help us to fulfill this goal and lead us on!

"Chinese Mission Alliance" abbreviated as CMA, the second missionary team established by Action Missions since 3 years ago during the pandemic (with Website). And, Action Missions is still serving and operating as usual. Over the years, we have shared mission messages throughout North America. If you or the church would like to hear our sharing via ZOOM or in person, please feel free to contact us. Once again, we would like to express our blessings to all the brothers and sisters.!
