

The 1st football game at refugee camp in Uganda. The players sang hymns before the game (Cheers in the tree!) Young people praising God.

Dear brothers and sisters, peace be with you!

It is written in **Malachi 4:2**: **But to you who fear My name, the Sun of Righteousness shall arise with healing in His wings; and you shall go out and grow fat like stall-fed calves.**

Blessed be the Lord! God personally led all of us to overcome various challenges and difficulties during the long epidemic! God has also guarded the A. M. missionaries in: **Iraq, Kuwait, Pakistan, Nepal, Iran, Uzbekistan, Ukraine**, the **Michael Missionary Training School in Myanmar**, and the **HOST training center in East Malaysia**. Plus, six East Africa countries: **Ethiopia, Djibouti, Somalia, Uganda, South Sudan, and North Sudan** with over one hundred missionaries and families.

Another year has gone by. From the beginning to the end of the year, the Lord bestowed abundant loving-kindness to us all.

I would like to share some recent field news to all of you.

(Bottom left three photos) Sister M, who was in Afghanistan and later went to Uzbekistan, has improved a lot from a stroke! She is still recovering. Thanks for your prayers!

(Bottom center) Missionaries Ann & Angel arrived and joined Sister Gwen in Uzbekistan.

Together they started serving a brand-new venture, to honor God and profiting people.

(Bottom right) A. M. serves many poverty-stricken people in six African countries. We model after the example of our Lord Jesus Christ. In humility and sincerity, we serve them. Meanwhile, through ways they can understand, we slowly guide them into the truth, and at the same time, taking notes of their reactions. Glory to the Lord!

(Top three photos) South Sudan has fought a civil war for nearly eight years! Many refugees suffering in dire straits, fled to neighboring countries in the south. Uganda took in more than one million refugees in its northern vast deserted plain. The United Nations has been their primary provider. However, at present, it appears to be harder even for the United Nations.

Some charitable organizations also participate in the rescue. Praise the Lord! He set aside a spot for us. In the name of the Host Charity, our service goals involve: 1. Teaching the refugees to plant mulberry trees and raise silkworms to make a living.

2. Establish tent-weaving churches (About 300 have been established) 3. Youth ministry. 4. Mercy ministry. As for the Youth ministry, we provide opportunities for the young people to play football! (They used to play with stones with bare feet!) We have planned to train about a hundred local refugee co-workers who evangelize in the refugee camps, and some of them have become the chaplain and coach of the football team. We trust that the Lord will raise up these young people.

We are the co-workers of Jehovah's host (the Host in short). Over the years, God has led us to share missionary information in churches in North America. If you prefer using the Internet or in person, please feel free to get in touch with us.

Again! Please remember the families of missionaries in Ukraine! Thanks!

Happy New Year to all of you.
